TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of New Ipswich in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Appleton Academy in said New Ipswich on Tuesday, the tenth day of March next, at ten of the clock in the forenoon, to act upon the following subjects:*

1. To choose all necessary Town Officers for the ensuing year.
2. To see if the Town will vote to accept the budget and to raise as estimated therein the necessary funds to transact the business of the Town for the ensuing year.
3. To see if the Town will vote to authorize the Selectmen and Treasurer to borrow money, when necessary, in anticipation of taxes.
4. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's deeds.
5. To hear reports of any official or committee and take any action relating thereon.
6. To see if the Town will vote to accept the budget of the Electric Light Department.
7. To see if the Town will vote to raise the minimum wage of Town employees from \$1.25 to \$1.50 per hour or take any action thereon.
8. To see if the Town will vote to appropriate the sum of \$12,000 (60% of \$20,000) for construction of Town Bridge #136/067 on the River Road, or take any action relating thereon.

9. To see if the Town will vote to appropriate a sum not exceeding \$6,200 for the purpose of making improvements to the following Class V roads within the Town; Road #102 River Road, Road #77 Willard Road, such sum to be raised through the issuance of bonds or notes under and in compliance with the provisions of Chapter 241, New Hampshire Revised Statutes Annotated, 1955, as amended by Laws of 1957, Chapter 273:3, and to authorize the Selectmen to determine the date and place of payment of such bonds or notes and to determine the rate of interest thereon, and to take such other steps as many be necessary to negotiate such bonds or notes as shall be to the best interests of the Town of New Ipswich.

10. To see if the Town will vote to raise and appropriate \$805.12 so as to receive \$5,367.47 from the State, for use in Class IV and V highway construction, reconstruction, or betterment as provided under N. H. RSA Chapter 241.

11. To see if the Town will vote to raise and appropriate the sum of \$300.00 (three hundred dollars) to be used to improve the entrance road to Pratt Pool by graveling that section of the road leading from Poor Farm Hill Road opposite the residence of Walter Kuusisto for a distance of 1,500 feet in from Poor Farm Hill Road. Any work done on this road shall not constitute its acceptance as a town road. (By petition.)

12. To see if the Town will vote to raise and appropriate the sum of \$50 for legal expense involving the transfer of deed, etc., on piece of land donated to the Town by Philip C. Thayer (land adjacent to the Town garage on Route 124).

13. To see if the Town will vote to raise and appropriate the sum of \$2,943.48 to be used in the development, maintenance, and supervision of the Recreation Field.

14. To see if the Town will vote to raise and appropriate the sum of \$343.38 (six cents per \$1,000 of the Town's equalized valuation) to the Monadnock Region Association, an agency to advertise, promote and preserve the natural advantages and resources of the Town in co-operation with the other 37 towns of the Monadnock Region.

15. To see if the Town will vote to have the Leonard I. Kangas Post No. 107, American Legion, have charge of, and conduct the Memorial Day Program and to appropriate the sum of \$400 to carry out this program.

16. To see if the Town will authorize the Selectmen to negotiate and give an easement deed to the New Hampshire Water Resources Board on Town land at site No. 35 of the Souhegan Watershed near the Smithville Cemetery on Binney Hill Road.

17. To see if the Town will vote to raise and appropriate \$100 and to authorize the Selectmen to spend same for the general care of shade trees. By authorizing this appropriation, the Town is entitled to Dutch Elm Disease scouting at no charge by the State.

18. To see if the Town will vote to raise and appropriate the sum of \$75 to be used in cooperation with State and Federal Funds for the control of White Pine Blister Rust within the confines of the Town.

19. To see if the Town will authorize the Selectmen to negotiate for and obtain a means whereby the north roadway of the Central Cemetery, adjacent to land of Hazel Balch, may be widened.

20. To see if the Town will vote to appoint a Committee of five (5) persons to examine into the question of obtaining and erecting a permanent Memorial for those persons from this Town who served in the Second World War and in the Korean Conflict, said committee to make recommendations to the next annual Town Meeting, concerning the same. (By Petition.)

21. To see what action the Town wishes to take relative to an appropriation for a resident physician.

22. Shall the Town of New Ipswich continue to maintain its existing Municipal Court as long as its present Judge remains in office or take any action relating thereon.

Given under our hands and seal, this 24th day of February, in the year of our Lord nineteen hundred and sixty-four.

J. Alfred Parhiala
 Arthur L. Whitney
 Wilson O. Allen
 Selectmen of New Ipswich

A true copy of Warrant—Attest:

J. Alfred Parhiala
 Arthur L. Whitney
 Wilson O. Allen
 Selectmen of New Ipswich

*The Town Meeting will open at 10 o'clock to act upon the first article only. Balloting will continue until 6 o'clock at which time the meeting will be adjourned until immediately following the school district meeting, to act upon the remaining articles.

BUDGET OF THE TOWN OF NEW IPSWICH, N. H.

Estimates of Revenue and Expenditures for the Ensuing Year January 1, 1964 to December 31, 1964. Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1963 to December 31, 1963.

SELECTMEN'S REPORT

In the past year there were continuous changes in personnel and work program. One of which was the Road Agent resigning and the contacting of local road construction men who might be interested and available. After interviewing several applicants, Robert Lafleur was appointed to the position. Due to an unfortunate accident in the Highway department, the road construction program which had been mapped out by the Selectmen was partially completed and intention of completion in 1964 and 1965 is imminent. Another change was the halting of TRA schedule on River Road on account of faulty bridge to another road approved by the State. Road signs were received too late in the year to be erected; however, this program will be completed as soon as weather conditions permit. In 1962 approximately \$1,496.94 of a \$5,000 appropriation was spent on Ashby Road. In 1963, \$3,436.76 was expended leaving a balance of \$66.30 unexpended. There was another unfortunate resignation in the office personnel and applications from previous applicants were screened and from among these the present clerk was chosen.

The plans for renovating the Town Office have been realized and we now have a very appropriate office to complement the Town. Also, the room in the rear of the Town Office has been painted for use of Police Department and town business.

Philip C. Thayer has donated to the Town of New Ipswich an acre of land adjacent to the Town garage on Route 124. Agreement of surveying and deeding is being handled by the Selectmen.

Considering all these changes, we feel a great deal has been accomplished with the efforts and cooperation of the citizens in the Town.

J. Alfred Parhiala, Chm.
Arthur L. Whitney
Wilson O. Allen

Board of Selectmen

Patricia Thayer

POLICE CHIEF'S REPORT

I herewith submit a report of the New Ipswich Police Department activities from January 1st through December 31st, 1963.

We have introduced the Auxiliary Police to the public this past year. They have compiled approximately 200 hours of time which time is donated by this civic-minded group. They have made their appearance during the holidays such as Memorial Day, 4th of July, Halloween, etc. They also have completed a course in first-aid, and have participated in traffic duty plus other duties such as when the dry season was on and patrol was required.

Again this past year we used the automatic timer in traffic control and the results speak for themselves by looking over our court activities.

A problem we feel that should be brought to mind is what has become known as District Court. A comprehensive system of judicial districts, each with a district court, is hereby organized, constituted and established. This was enacted by the Senate and House of Representatives in General Court convened.

This means that the Municipal Courts are abolished and we will no longer be able to use the Municipal Court in Greenville. For the district in which the Town of New Ipswich is placed is Peterborough and we have no choice but to abide by the rules set forth by the Peterborough District Court.

If we are compelled to go to District Court in Peterborough this will mean a substantial increase in the Police budget. We believe, and most certainly feel that this is placing an unfair burden on this community. I have personally been in contact by letter with Senator Upton, and the Judicial Council, Peterborough District Court, our Legislature and the Town Legal Advisor: Attorney Lincoln. We are informed that there is no possible way out but to comply with the District Court as set forth by Legislature.

The only possible way to contend with this situation is to have the people voice their opinion to our Legislative Body and to have them amend this legislative bill #366 at the next Legislative Session in 1965.

From January 1st to July 1st we will be able to use the Municipal Court in Greenville and from July 1st to

the end of the year we will have to bring all legal activities to the Peterborough District Court.

A room in the Town Office building has been renovated for the Police Department where the public may air their problems in private and in confidence.

The Department's operating expenses for 1963 and estimated expenses for 1964 are as follows:

	1963	1964
Salaries and Expenses	\$2,650 91	\$3,460 40
Supplies	166 00	166 00
Clothing and Accessories	73 60	73 60
Equipment and Miscellaneous	109 40	300 00
	<hr/>	<hr/>
	\$3,000 00	\$4,000 00

The following is a break-down of the regular police work since January 1st, 1963:

Number of calls received were 368 by telephone, 78 from other towns, 241 by radio, a total of 687.

There were 93 summons issued by this department plus 17 from other departments, 11 warrants issued for out-of-town police, 6 arrests for out-of-town police, 3 out-of-State Court appearances, 1 appearance in Superior Court, 93 appearances in Greenville Municipal Court which resulted in 93 convictions; 59 juvenile cases were processed through our own juvenile system.

MUNICIPAL COURT CASES

Speeding	64	Illegal possession of liquor	4
Stop signs	2	Malicious injury to property	2
Larceny	1	Illegal possession of weapon	1
No registration	2	Breaking and entering	2
No license	2	Yellow line violations	4
Drunk	4	Driving while intoxicated	1

Lights out in business places	12	Fire	6
Lost persons	2	Public Nuisance	8
Failure to license dogs	11	Fraudulent checks	14
Motor vehicles stolen	4	Fish and game	4
		Arson	6

In conclusion I wish to thank the Selectmen, other Town departments, school authorities and citizens of New Ipswich for the cooperation they have given to this Department in the past year.

Nelson E. Lafreniere

ROAD AGENT'S REPORT

In submitting my report covering the fiscal year from January 1st to December 31st, 1963 let me state at this time that \$10,183.81 had been spent on various roads.

Before my appointment in May, Whitemore Hill, which had been started, was finished. Extensive patching work has been done all over the Town; culverts were repaired on Binney Hill road and Ashby road; Ashby road was completed; a project started in 1962.

Inasmuch as the River road was a TRA program, work was halted because of the bridge being inadequate to State specifications. These funds were transmitted to Lornie Willard road with the State's approval. However, if the bridge is replaced by Town funds (article #13), TRA plus Town equalization funds (article #7) will finish the River road project in addition to the Lornie Willard road.

Due to my unfortunate accident while working for the Town I wish to thank publicly my co-workers and especially Emile Caron for taking over my duties as Highway Superintendent during my hospitalization.

Robert Lafleur

Trustees of Trust Funds

This is to certify that I have this day examined the above account and found them correct and in agreement with the banks books of the various banks concerned. Feb. 6, 1964.

WILLIAM H. THOMS

LOCAL CIVIL DEFENSE REPORT

Civil Defense patrolled during July and August, the dry season, and Holidays, and special occasions.

The Auxiliary Police Unit and Civil Defense have been meeting monthly at the Fire Station on the first Wednesday of the month, and at the present consists of the following members:

Administration:	Donald C. Gillam Justin Smith
Welfare and Refugee:	Esther Maki
Fire:	Theodore Karnis Carl Sillanpaa
Communications:	Margard L. Rodenhiser Abbott L. Rodenhiser Donald Gillam
Police:	Nelson E. Lafreniere Ragnar A. Junni
Rescue and Engineering:	William Currier Thomas Parhiala
Transportation:	Martin N. Somero Wilson O. Allen
Medical:	Dr. Claire G. Cayward Laila E. Luhtala, R.N. Beverly Campbell, R.N.
Supply:	Justin E. Smith
Shelter Coordinator:	Walter Paaajanen Justin E. Smith

Ragnar Junni transferred to Co-director of Auxiliary Police leaving a vacancy of C.D. Director at which time David Corthell was appointed. That change limited the activities of the C.D. program.

We regret the loss of Hjalmar S. Maki who worked so diligently for our cause.

Test exercises, work is planned with the American Legion Auxiliary, further training of the Auxiliary Police and extensive planning of shelters.

The Auxiliary Police unit consists of the following members:

Bruno Salo	David Cotzin
John Cahalan	Harold Johnson
Paul Card	George Halfpenny
Emile Caron	Leonard Aho, Jr.
Earl Dane	Richard Kesti
Joseph Duval	Donald Viitanen
Richard Putnam	

An accumulation of 200 hours has been donated by the above civic-minded group.

In terminating this report, the C.D. would like a greater interest from the people since it is a community and nation-wide activity. And anyone wishing to become a member kindly contact one of the directors or members.
David Corthell

AUDITOR'S REPORT

I have examined the following accounts and have found them correctly cast and properly vouched: Tax Collector, Town Treasurer, Town Clerk, Selectman, Road Agent, Trustees of Trust Funds, Electric Light Department, and Recreation Committee.

William H. Thoms

ELECTRIC LIGHT COMMISSIONERS' REPORT

In addition to regular repairs and maintenance, the line between Frank Raitanen and George Marshall was reconstructed. Mr. Marshall signed an agreement to take service and to contribute towards the cost of the line, by paying minimum monthly charges for a period of five years.

The old line between Oliver Niemi home place and Charles Engell, which runs through fields and brush land, was replaced by a new line constructed along Page Hill Road. The old line had been in existence since 1929 and would have required a great amount of brush clearing, also complete reconstruction of line would have brought the cost considerably higher. Now, being on an open road, future maintenance will be more economical.

An extension to the Pratt Pond line was constructed to take care of new cottages that are being built.

The wires between Thayer's Corner and the Walker Wood Turning Mill were removed and replaced with heavier wires. This was done preparatory to anticipated land growth by the Mill.

Six rebuilt regulators were purchased and four were installed to maintain voltage uniformity to the out-lying districts. The materials for the above work brought our capital expense substantially higher than our estimate for the year.

Demand meters are being installed at various commercial places to determine high demands. A commercial customer creating a demand in excess of the departmental minimum will be subject to a demand charge. The demand shall be the highest 15 minute kilowatt demand established during the month, but not less than eighty (80) percent of the maximum demand established during the preceding eleven (11) months. These commercial customers, who are now served under the General Domestic Schedule, will not be affected by these meters until a separate rate has been provided.

A request for a Bucket Truck and equipment was made by the Superintendent of the lines. This truck by all standards will decrease labor costs in line construction. It will be a great asset in break-downs, especially in splicing hot wires during storm periods, and is invaluable

in over-the-wires limbing. This truck including equipment is being considered by us presently but will require further study to determine whether the purchase of this truck and equipment is justifiable to existing rental costs on a similar truck owned by Greenville Equipment Company. While renting, the availability of this equipment is limited and cannot be used to our advantage during emergencies and break-downs due to storms.

Oliver E. Niemi, Chairman
Walter Paajanen
Joseph G. Thomas

RECREATION COMMITTEE REPORT

Mary E. Corliss, Secretary, extended her role as an important member of the Commission for five more years.

Richard Baker was employed as Field Director for the fourth consecutive season and Miss Pauline Chabot of Wilton was hired as Pool Instructor. Dick also coached and managed the Girls Softball Team – Champions of the Twin-State Softball League. This team is sponsored by Mr. and Mrs. Paul F. Cooper.

The scheduled summer season ran a period of 10 weeks, from June 24 to August 31. The Playground facilities were used actively throughout the season by various organizations within the town. The Baseball Fields were occupied every day by the Girls Softball Team, Athletic Association Softball Team, Babe Ruth Baseball Team, Little League Baseball Team, Farm Teams and the Appleton Academy Baseball Team, all of whom played full season schedules. Also on the Playground Fields were archery shoots, volleyball tournaments, soccer and football games, along with the regular activities of horseshoes, tetherball, badminton and basketball. Starting new this year, which seemed to take hold with large success for both the young and old, was the calling by Dick Baker of Folk and Square Dancing held on Friday evenings, from 7:00 to 10:00.

Total enrollment at the pool for general swimming exceeded 200. Swimming classes were held daily Monday through Saturday for beginners up through Senior Life Saving. Enrollment in the classes totaled over 150 while the actual participation was limited due to the weather. First Aid classes were held also for the Junior First Aid up through the Advanced First Aid course.

The items requiring explanation in the Budget Report are as follows, (all proposed figures are itemized estimates):

1. Dug-Out Construction – Four dugouts consisting of a wood type structure instead of one of concrete construction as originally planned were completed with the aid of donated labor and materials. We felt that this would be more beneficial to all.

2. Softball Uniforms – Through the generous donation of Mr. Paul F. Cooper, we were able to acquire new uniforms for the girls, along with many other essentials.

3. Lawn Mower Repair – The figure quoted here con-

sists largely for the repair of gang mowers which are essential to the Field and are badly in need of repair.

4. Repair of Pool — Because of extreme frost, cold and the many years of its existence, the cement walls have cracked, moved, and are badly in need of repair.

5. Water Show Entertainment — This annual event closes the Playground summer season which is something like graduation exercises, giving those who participated in the various swimming, diving, First Aid and Life Saving classes an opportunity to display their talents in competition and to receive individual Red Cross badges, certificates, awards, etc. The finale was a diving exhibition put on by a team of two college champions who explained in detail each dive prior to execution. This, along with a clown act, proved to be both educational and entertaining. Cold water was the deterrent.

6. Donations — Donations of money, time, labor, equipment and materials by interested citizens made the season a successful one.

We would like to call your attention to the "Expend-
ed Budget 1963" total. The \$3,212.55 includes the dona-
tions which are listed at the end of the "Actual 1963"
budget.

Respectfully submitted,
Francis LaFreniere, Chm.

REPORT OF THE NEW IPSWICH LIBRARY

The Public Library serving New Ipswich is a corporation, not owned by or receiving financial support from the Town. This is its first public report since the year 1920, when it attained financial independence. Since then it has rendered many thousands of dollars worth of service to the citizens, all at no cost to the taxpayers. This report is made to comply with a new law, and because those responsible feel that the citizens might like to know something of our activities.

The members of our corporation are nine in number, now reduced to eight by Mr. Maki's recent death. They are: John Preston, President; Miss Gratia Eagleson, Clerk; Mrs. Margaret R. Bays, Treasurer; Earl Matti Granfors, C. Ralph Taylor, Donald K. Packard, Mrs. Myrtle Kangas and Mrs. Marion Jenks.

In addition to the usual services to grown-ups, we make a special effort to help the school children. Students from the Academy use our collections to supplement those at the school. We are supporting the excellent new library at the Central School by borrowing for it large numbers of books from the State Library's Bookmobile, which would otherwise be unobtainable. Also, in order to encourage general reading among the children, we open the Library each Thursday morning for the students at Central School, who otherwise would have little chance to visit it. This last service costs the Library about \$150 a year, but the enthusiastic response makes us feel that we would gladly spend far more in order to keep the program going.

Following are pertinent excerpts from the Librarian's and Treasurer's reports:

Number of Books in the Library	12,276
Number of Books Added	227
Number of Books Discarded	44
Number of Books Charged to Borrowers	13,729
Income Received	\$1,950 00
Donations Received	600 00
Expended for Books and Magazines	600 00
Expended for Salaries, etc.	900 00
Library and Contents (approx.)	40,000 00
Investments (approx.)	60,000 00
Repairs, Insurance, Heat, Lights, etc.	1,000 00

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

*Note. The School District Meeting will open at 10:15 A.M. March 10th, to act upon the first four Articles in the Warrant. Balloting will continue until 6:00 P.M. The business meeting of the School District will open at 7:00 P.M. on March 11th to act upon Articles 5 - 10.

To the Inhabitants of the School District in the town of New Ipswich qualified to vote in district affairs:

You are hereby notified to meet at the Appleton Academy in said district on the 10th day of March 1964, at 10:15 o'clock in the forenoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.

Given under our hands at said New Ipswich this 19th day of February 1964.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of New Ipswich qualified to vote in district affairs:

You are hereby notified to meet at the Appleton Academy in said district on the 11th day of March 1964, at seven o'clock in the afternoon, to act upon the following subjects:

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.

8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school Board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

9. To see if the School District will vote to raise and appropriate a sum not to exceed \$1,003.27 salary, including District's share of Social Security and Teachers' Retirement, to continue to provide for Physical Education Instruction within the school, or take any action relating thereto.

10. To see if the School District will vote to authorize the School Board to enter into an exclusive contract with Appleton Academy in accordance with Chapter 194, Section 22 of the N. H. Revised Statutes Annotated for the education of all of its pupils in grades 9 - 12 for the school year 1964-65 and to disburse from the School District Budget a sum not to exceed \$52,304.00 for the same, or take any action relating thereto.

11. To see if the district will vote to form a 3-person cooperative school district planning committee and to elect the members thereof or determine that they shall be appointed by the Moderator or take any action relating thereto.

Given under our hands at said New Ipswich this 19th day of February 1964.

Grand Total Gross Expendi- tures	\$162,895 97		

*NOTE: Difference between Financial Report, Treasurer's Report and above 1962-63 Budget Receipts, is due to corrections made by State Department of Education in conjunction with State Tax Commission. In 1960-61 an overpayment of Tax Assessment, by the vote of the School District, was made in the amount of \$1,837.90; in 1961-62 due to lower cost of fence than amount appropriated in special article, an underpayment of \$203.00; and in 1962-63 an overpayment of \$2,184.49 due to a difference in School Board's estimate of Foundation Aid making a net total difference of \$3,819.39. To clear the records an item has been entered showing an advance on 1963-64 assessment of \$3,819.39 shown above.

Days for inclement weather	2
School Days	180

NO SCHOOL ANNOUNCEMENTS

Every effort will be made to have school as scheduled, but if it becomes necessary to call off school the following procedure will be used.

NO SCHOOL ANNOUNCEMENTS will be made over WBZ Radio Station, Boston and WBZ-TV. It is impossible for the school to designate a time when this announcement should be aired, therefore, in case of doubt, we advise continuous listening between approximately 6:30 A.M. and 8:00 A.M. plus common sense judgement.

The FIRE WHISTLE on the Town Hall will blow signals of one blast at 7:00 A.M. and one blast at 7:30 A.M.

SCHOOL LUNCH REPORT

NEW IPSWICH CENTRAL SCHOOL

The summary below covers the receipts, expenditures, and balances of the School Lunch Program at the Central School for the fiscal year 1962-63:

Cash on Hand July 1, 1962		\$434 44
Receipts:		
Lunch Sales—Children	\$6,055 16	
Adults	394 05	
Reimbursements	1,548 33	
Miscellaneous Cash	448 06	
Total Receipts		<u>\$8,445 60</u>
Available Total		<u>\$8,880 04</u>
Expenditures:		
Food	\$5,783 63	
Labor	2,112 20	
Equipment	14 95	
All Other	553 56	
Total Expenditures		<u>\$8,464 34</u>
Actual Cash Balance as of June 30, 1963		<u>\$415 70</u>

I certify that the above information is true and correct; that the cash balance has been determined by actual count and/or verification of the checkbook balance; and that invoices and other pertinent records as required are on file to substantiate the School Lunch Program transactions.

SCHOOL BOARD REPORT

The aim of the School Board this year has been to maintain a high degree of educational standards without increasing costs. A substantial saving has been realized by the installation of a bulk gas tank; by using local labor and materials in the installation of two sets of three swings for the play area; and by securing a bid lower than the amount authorized for the fence on the Balch boundary line.

The salary schedule has been replaced by a more equitable method of salary adjustment which will take into consideration the teacher's abilities and the results of the teacher's efforts. However, a minimum salary of \$4200.00 and a maximum salary of \$6000.00 has been established to assure the School District of securing qualified teachers if vacancies should occur.

No provision has been made in this year's budget to continue the physical education program for pupils in the elementary school because the Board feels it is not in keeping with the best interest and welfare of the students in this age group. However, for those who are not in accord with the School Board's decision on this matter, an article has been inserted in the school warrant which would provide funds for this purpose, if so voted.

The Board has recognized the fact that changes are constantly taking place in this area and other areas throughout the state as regards to schools and their related problems. It is therefore with these thoughts in mind that the School Board members have attended various meetings with the board members of neighboring towns to make a study of future school problems and look into the advantages and disadvantages of area and cooperative schools. One meeting which was attended by the New Ipswich Selectmen and board members of this town and five other towns in this vicinity dealt with the services provided by the firm of Engelhardt, Engelhardt, and Leggett, School Consultants, and the cost of such services.

According to the information furnished to this Board there is no likelihood of expansion of our school facilities until 1966. Therefore the Board sees no need, at the present time, to hire a firm of consultants. However, plans have been formulated to appoint a Study Committee to look into the school space problem at Central School.

WILLIAM AHO

LIONEL BLAIS

ESTHER SMITH

School Board

SUPERINTENDENT'S REPORT

To the school board and citizens of New Ipswich, I respectfully submit my sixth annual report as your superintendent of schools.

STAFF AND INSTRUCTION

The New Ipswich school opened this fall with one change in staff. It was very fortunate that Mrs. Alice Dow of Greenville, New Hampshire was encouraged to reenter teaching and work at the first grade level in the Central School. Like all of our staff Mrs. Dow is a veteran with many years of teaching experience. The supply of teachers is regularly falling far short of the needs. This is especially true at the elementary level. Mrs. Dow was finally hired, only by first agreeing to work on a substitute basis and later assuming full responsibility for this teaching position. The other members of the staff continued in their present positions at the school thereby insuring continuity and strength in the academic program.

The two areas of instruction outlined in last year's program continue to be improved and expanded during this present year. The Phonetic Keys to Reading approach is being used in grades one and two and the Spalding System of reading, writing and spelling is being solidly developed at other grade levels. It is expected that each year marked improvement will be seen in these areas through the use of these very sound reading systems.

In the area of mathematics, modern approach is being taught at all grade levels, having started last year in grades one and two. It is anticipated that this type of program will definitely upgrade the quality of instruction in this area and give youngsters insights and understandings that never could have been expected of these children in the past.

Two children from New Ipswich are in a class for intellectually retarded children at Peterborough and next year's budget provides for one additional youngster to participate in this or some other similar type program.

The quality of instruction is reaching higher and higher levels in the elementary school. Scores on standardized achievement tests and other tests in the fundamental areas indicate a very high level instructional program that all can be proud of.

FUTURE NEEDS

The School Board Report indicates the discussions which they have been involved in with towns in the immediate area dealing with the subject of school size and improved instruction at all grade levels. This is not a problem that can be swept under the rug; it is one that must be squarely faced at both the elementary and at the high school level and one, which without a doubt, will place an additional tax burden on all the citizens

of the community. Enrollment at the elementary and high school levels is moving upward very sharply and indications are that the slope of the rise in the future will increase rather than decrease. Census projections indicate the need for classroom space at elementary and high school levels in the next two years.

BUILDING AND GROUNDS

Money has been provided in the upcoming budget for the installation of fluorescent lighting in one more room of the school. This is a program which has been worked at by the Board on a yearly basis with very satisfactory results. In order to provide for the additional numbers of youngsters that are anticipated to be in attendance at the school in the coming year, six additional chair and desk units are being budgeted for as well as twenty-four folding chairs for use in the cafeteria and all-purpose room. The lights and the chairs are budgeted in Items No. 1266 and No. 1267 of the budget.

The School Board has obtained two analyses of school water samples from the Sanitary Division of the State. Both of these have indicated that the school water supply has been contaminated with chlorides and sink drainage. The contamination has not been bacterially harmful but has been classified as undesirable. The School Board is contemplating taking steps to have the water system surveyed and to make improvements as deemed necessary by the State Water Department. An amount of \$600 has been budgeted under item No. 1266 of the budget for this purpose.

FINANCE

There are but two primary areas of increase in the budget; one increase of about \$300 is in supervisory union expenses due to an increase in superintendent's salary and in the expenses for the operation of the union office. Major area of increase is in the area of Tuitions where a total increase of about \$5400 is shown. \$4700 of this increase is at the high school level due to increased enrollment and tuition costs and about \$700 of it is increase in junior high school due to an increase in costs per pupil. These increases along with increases and decreases in the budget result in a total amount required to meet the School Board's Budget of \$156,542.26, an increase of approximately \$3200 over the budget being operated on this year. In spite of the fact that a relatively small balance of \$500 is anticipated as being on hand at the end of the year due to appreciable increase in Foundation Aid, total income to the district is anticipated to be approximately \$6,000 more than last year which results in a school assessment of approximately \$130,000 which is just about the same as the amount which was established for operation of the budget during this present year.

SPECIAL ARTICLES

One reason for the decrease in the item of Teachers' Salaries when compared with the amount budgeted for the present year is because of the fact that the salary for the Physical Education instructor has been removed from the budget and placed in a special warrant article. An article similar to this was submitted to the voters of the district in 1959 and passed. Since that time greater emphasis has been placed on the need for physical fitness for all children. The increased emphasis has been in part due to a report by President Kennedy's Council on Youth Fitness submitted in July 1961. A brief portion indicating the challenge of the presidential message which prefaced this report is presented here. It says, "To members of school boards, school administrators, teachers and pupils themselves, I am directing this urgent call to strengthen all programs which contribute to physical fitness of our youth." It seems from the creation of this Youth Fitness Council and the indication of urgency as stated by the President, that more attention to the development of physical fitness on the part of all youth is needed rather than less.

The second special article is the one which authorizes the School Board to enter into an exclusive contract with Appleton Academy for the instruction of New Ipswich children at the senior high school level.

CONCLUSION

The New Ipswich school is enjoying a very successful academic year. The community is extremely fortunate in having experienced teachers who are none the less interested in improving themselves and the quality of their instruction. This well seasoned staff is doing a commendable job in some cases in spite of a rather heavy load that tends to dilute their effectiveness. Special credit should be given to the New Ipswich Parent-Teachers Association which has worked diligently to establish a library within the school and stocked the library with reference books that could be of use to the children. Up to this point the library is being used within the school day and is supplementing regular classroom materials. With all parties working together, . . . teachers, parents and school board, an educational program is being offered of which all citizens of the town may well be proud.

Respectfully submitted,
KENNETH A. SARGENT
Superintendent of Schools

REPORT OF CENTRAL SCHOOL

In September our school opened with one change in our staff. Mrs. Eva Gagnon, who had worked with us for three years, accepted an upper grade position in Peterborough. This vacancy has been filled by Mrs. Alice Dow who came in September on a substitute basis but later agreed to accept a regular appointment. We are fortunate to have recruited an experienced teacher back into active service.

Our enrollment continues to increase. At present we have 43 pupils in grade 1; 36 in grade 5; 34 in grade 3; and 33 in grade 2. Grades 4 and 6 with 24 pupils each are the smaller grades. If there is a large registration of first graders entering in September next year's enrollment will be still larger.

Along with the increased enrollment is the increase in the number of children participating in our lunch program. Each day an average of 160 avail themselves of the opportunity to enjoy a hot meal for a very small charge. About 70 bottles of milk are served per day to those children who wish milk at recess.

Beginning January 1st the amount of federal aid money for lunches was cut. By careful planning we have so far been able to keep our charge the same. However, if we begin to fall behind it may become necessary to make a small increase in the rate.

During 1962-63 new phonics programs were introduced. These have proved very successful. The scores of the reading tests in all grades are remarkably high, with very few exceptions, all pupils being above grade level.

A new modern math program has been begun this year. It teaches the child the reasoning behind the various processes rather than depending upon merely memorizing given facts.

The school library was opened during Book Week in November. The P.T.A. has put a great deal of effort into making this room attractive and useful and purchasing all the reference books possible with the funds available. These books are supplemented by books borrowed from the state library for six week periods. The library is manned by parents who volunteer their time on two days a week for this purpose.

Many of our services and practices remain as in previous years. Educational TV programs in phonics, science and history continue to give added instruction to the children. The third grade science program has been rewritten and this year has been used in both third and fourth grades. We continue to have twenty children benefit from the instruction in instrumental music at Appleton. Our Savings Stamp sales compares favorably with other years, six hundred dollars having been brought in to date. The physical education program continues one period a week for each group. A demonstration is being planned

in February to familiarize the parents with some of the practices employed in this program.

I wish to express my sincere thanks to all members of our staff who work unceasingly for the benefit of all the children; to the School Board who continue to support good educational practices; to Mr. Sargent for assistance and guidance; and to the P.T.A. for all their contributions to our school. I also wish to thank the parents and citizens who make our school program possible.

Respectfully submitted,
PEARL S. THOMPSON, Principal

REPORT OF ATTENDANCE OFFICER

Since my last report nine cases of school absence have been investigated but only two of these have been during the present school year. These absences involved two families, one of which has since moved from town.

WILLIAM T. THOMPSON

REPORT OF THE SCHOOL NURSE

FOR FISCAL YEAR 1962-1963

Central School: Grades 1 through 6

Appleton Academy Junior High: Grades 7 & 8

Visits to schools	35
Home Visits	10
Child Guidance Visit	1
Crotched Mt. Speech Clinic	1
Crotched Mt. School of the Deaf	1
Tests Given: Snellen E eye tests	Grades 1, 2, 3
Keystone Telebinocular tests	Grades 4, 6 & 8

Parents were notified if a defect existed. I am happy to report that many corrections were made.

Special Activities:

1. Assisted School Doctor with physicals: 238 examined

Defects found:

Conjunctivitis	3
Bulging ear drum	1
Excessive wax in ears	2
Enlarged tonsils	42
Decayed teeth	67
Enlarged Cervical glands	9
Heart condition	1
Thyroid condition	1
Vitamin deficiency	1
Herpes sores (dried)	1
Anemia	2

Notes were sent home to the parents of these conditions.

2. Assisted Doctor with examinations of cheer leaders, both girls and boys basketball teams.

3. Mixed Immunization Clinic September 1962.

4. Sabin Oral Vaccine was made available by the State Department for all children six weeks to sixteen years.

Type I given 2/5/63 2/14/63

Type II given 3/19/63

Type III given 4/30/63

Central School Children that completed the series 168

Appleton Academy children that completed the series 209

5. Nurse's Work included:

Heights and weights on all children.

Periodic inspections each month.

First aid for cuts, bruises, splinters removed, toothaches, etc.

Arranged for sick children to be taken home.

Made arrangements for tests and therapy treatments.

6. Pre-School Registration May 15 and 16, 1963

36 registered

Heights and weights taken

Snellen E eye tests given.

Respectfully submitted,

LAILA LUHTALA

School Nurse
